Re: ITA Monthly Webinar: “Whereabouts – All your questions answered”.

Dear World Aquatics Member Federations,

As part of its efforts to ensure all World Aquatics stakeholders receive comprehensive anti-doping education, the Aquatics Integrity Unit would like to invite you and your athletes to attend the upcoming ITA monthly webinar, “Whereabouts – All your questions answered” on Monday 25 March from 14h-15h CEST.

Olympian Tracey Lambrechts, who was part of a testing pool in weightlifting for many years, and Kate Hovrjaka, ITA Athlete Support Officer, will address the questions most frequently received from athletes on this topic.

The webinar will be in English with simultaneous translation to four additional languages - Arabic, Spanish, French and Russian.

After registering for the webinar using the link available [here](#), participants will receive the link to join the webinar by email.

We kindly ask you to share this invitation with your athletes and support personnel and we remain at your disposal for any questions.

Respectfully yours,

Nicolò Juglair
Aquatics Integrity Unit Coordinator
